**Re: Asphalt Mix F.O.B. Price Increase

Over the past few weeks we have again seen price fluctuation on liquid asphalt and I am happy to report a price reduction to our FOB asphalt mix prices. Effective Thursday, April 23rd, 2009, the following prices will apply:

Type S-I and S-III (with RAP)

West Palm Beach Plant: \$64.00/ton plus tax

Super Pave, Friction Courses, and Other Mixes or Special Orders

Will be quoted upon request

Recycled Asphalt Product (RAP)

Please be aware that due to the volatility of material prices, fuels and trucking we can not guarantee these prices and further adjustments might be required. Should you need assistance on projections for long term projects, please contact us.

As always we appreciate your business and look forward to providing you with the highest possible quality and service for all of your asphalt needs. If you should have any specific questions in regards to sales please contact Ponch Frank at our West Palm Beach office---561-793-9400.
