RE: F.O.B. Price changes

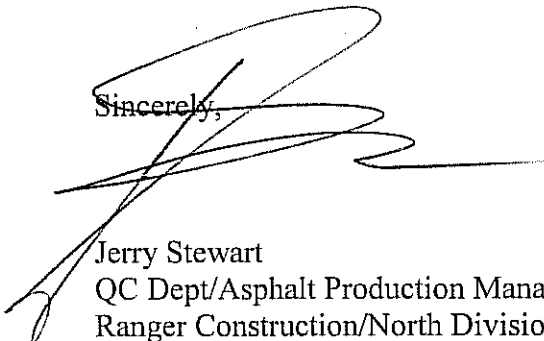

To our valued customers,

We are once again in a position to lower our asphalt mix prices. Please find the attached new FOB prices, for our Winter Garden and DeBary facilities, effective 05/14/09.

In an effort to remain competitive in the market place it has always been our standing to produce a quality product at prices as low as possible; thereby helping our customers to remain competitive as well. We will continue to strive to keep our quality high, and cost as low as possible.

We appreciate your business and look forward to serving you in the very near future.

Sincerely,

Jerry Stewart
