To All Customers:

Effective May 4, 2009, due to the recent decline in the cost of materials (liquid asphalt, fuel costs), we are pleased to be able to pass along our savings to our customers by decreasing our F.O.B. prices for both S mixes.

Deerfield Plant	\$67.00 per ton, plus sales tax
Miami Plant	\$67.00 per ton, plus sales tax

For special mixes not listed above, please contact our Deerfield office for pricing assistance at 954-428-8712. Prices are subject to change without notice due to the dynamics of the materials industry. Given the continuing volatility of crude oil prices, we anticipate prices will continue to fluctuate throughout the year. Please take the necessary precautions as you budget for any long-term projects.

If you have any questions or concerns, please feel free to contact our Chief Estimator, Jim Allen, or me, at our Deerfield office, or Andy Obrador at our Miami office at 305-718-8070.

Sincerely,

Hazen P. Hinds
Division President
